

**Advertise locally while supporting music in Prince William County**

The New Dominion Choraliens of Prince William County is a non-profit community chorus providing quality musical performances in the county since 1996. We perform two major concerts each year: a Holiday Concert and a Spring Show, and often a third concert with special themes.

Our concerts rely on funding, in part, through the sale of advertisements in our concert programs. Concert programs are a full 8 1/2 by 11 inches, and offer several low-cost advertising options in black & white inside the program, starting at just \$25 for a business card size ad.
